

Behavioral Economics: General Information

Summer Term 2014

- The lecture is blocked (3 slots) and starts at **April 25**
All lectures start at: 9:00h and end at: 17:30h
- There will be 7 slots of the tutorial which will always take place on Tuesdays (11:30h-13:00h)
- You can usually download the lecture slides/exercise sheets one week before the lecture/tutorial starts in the lecture/tutorial section of “StudOn”
- More information on the dates of the lecture/tutorial can also be downloaded in the lecture/tutorial section of “StudOn”
- One of the tutorial sessions encompasses a session in our experimental laboratory.
We would welcome if everybody would take part in the lab session.
- There will also be a homework assignment (on May 27)
- You can yield a bonus for the exam by completing the assessment in a good way (team work – in teams of not more than 2 students – is appreciated)
- The homework can be submitted to holger.rau@fau.de or submitted right after the tutorial on June 10.
- The deadline for submitting the homework is: June 10
